## Welcome Back!

September 4<sup>th</sup> 2026

What a fantastic start to the term! It is wonderful to have the school full of children again, they have all grown so much over the holidays!

Each class has enjoyed a mini Passion Project, where the teacher chose the curriculum.

Children have been learning about different countries and different people, board games, the history of film, Animal Olympics and even Pokemon and Wacky Races.

Next week we start our Autumn 1 work, PE lessons, home reading and Arithmagicians. Teachers have been busy planning exciting and engaging lessons.

### Communication Systems

Leedon currently uses several different systems. Over the next few weeks we will be using more of the features within Arbor with the view of making this the 'one stop shop' for parents. We have already been warned that there is likely to be teething problems. We want to improve but there are times when failings are beyond our control. Please be mindful of this when communicating with the team.

### PARKING

We have had several complaints from residents about parent parking at drop off and collection. It can be difficult to park near the school but please do not park on yellow lines or over resident's drop curbs. It is important to park responsibly in order to safeguard the children and reduce the risk of friction within the community. Thank you in advance for your cooperation and support.

### PE KIT

Class teachers will have communicated which days your child has PE. On these days the children should come into school in their Leedon PE uniform. If you had bought trainers prior to the information about uniform expectations please DO NOT buy more. Moving forward we would like the children to have simple black or white trainers for PE.

- Monday 21<sup>st</sup> Sept 6pm** → Year 4 parents – Grafham Water Residential information evening
- Tuesday 22<sup>nd</sup> Sept** → School Photos! 8:00am for sibling photos. More information to follow
