Leedon News

Looking to the Future

We are looking forward to September 2026 and have lots of plans to improve our school from promoting positive learning behaviours, improving the curriculum offer to making lessons even more engaging and exciting and ensuring that Leedon is providing a high quality experience for all children.

In order to do this we need your help. Parent support is a vital part of school improvement. Communication between parents and school should be open and supportive and we need parents to back our decisions and follow our policies.

Together we can make rapid and sustained progress for our children!

With this in mind here are some headlines:

- Uniform: we will be expecting pupils to be wearing correct uniform, no more bright coloured trainers, football kits or non uniform jumpers.
- Snack time: we will expect the children to have fruit at snack time. This does not include fruit cereal bars or Fruit Winders
- Attendance: We expect the children to be in school, on time, every day. While we understand sickness and the occasional emergency we will be meeting with parents to discuss support when attendance is below 95% We will not authorise family holidays.

LEEDON LEGEND

Congratulations!

Jude in Saturn Class

We did not have assembly today but on Monday Jude will be awarded the Leedon Legend medal. He is a superstar; kind and supportive, hardworking and trustworthy - well done Jude!

July's Value =
EXCELLENCE

**Making sure we
maintain excellence
