Leedon News

A very busy week at Leedon! As you know we had HMI inspectors from Ofsted visit and the staff team showed what a fantastic group they are. Pupils engaged well, spoke with the inspectors about their learning and even offered them biscuits! The report will not be published for at least 30 working days. Once it is available we will signpost you to it.

Mental Health Awareness Week

Children will be engaged in learning about mental health and they are encouraged to wear 'Something That Makes You Happy' on 13th May. £1 donations are gratefully received and will be split between the Mental Health Foundation and school funds. We would like to purchase books on mental health for our library.
