Leedon News

A super week at Leedon - amazing writing in Year 4, marvellous history learning in Year 3, super reading in Year 2, fantastic phonics in Year 1 and lots of fun in Reception learning all about the seaside!

Summer Fayre **CASH ONLY**

COME ALONG ON 20TH JUNE, 10:30 - 12:30!

A huge thank you from the PTA. Your generous donations will be wonderful additions to our Summer Fayre

Please do not allow children to bring toys or other items from home. Staff are spending precious time trying to find lost items, console children if something is broken or damaged and mediate groups of children who have changed their minds about 'swapsies'.

The children have everything they need at school, they don't need to bring in teddies, fidget tools or stationary etc.

Please be aware that property may be removed from pupils. It can be collected from teachers, by parents at the end of the day

THANK YOU

Your support is appreciated!

LEEDON LEGEND
