

**Leedon Lower School**

**Year 1 English Home Learning**

**Friday 10 July 2020**

Introduction

Your child will need to read today's letter from the princess (or have it read to them).

Task

1. Plan a socially distanced party game – it will need to be one that you can play with someone from 2m away.
2. Write instructions as to how to play it.

Prior Learning

The children have learnt about writing instructions already this year and this will give them the opportunity to practise their skills.

Key points to remember

- Put the steps in *chronological order*, starting with the first.
- Use *imperative* (bossy) verbs so that people know what they have to do.
- Can you use *time conjunctions* (first, next, etc.) to link your steps?
- It's easier to read your instructions if you number your steps.

Context

We will be holding a Grand Ball on Wednesday Morning to mark the end of the topic and to celebrate all the hard work that the children have been doing at school and at home this year. Those children that are in school will be taking part in class and those that are still learning at home will be invited to join us on Zoom.

If time permits, we will be playing some socially distanced party games. We'd like to be able to use some of the children's ideas.
