Town Trail Challenge

Get your walking boots and your cameras ready!

The answer to each clue is a place nearby in Leighton Buzzard.

Work out each clue and take a creative photo in front of each landmark that you find!

When you've done all 10, or as many as you can, send all the photos together to us at once, either on the Shine Week Seesaw or in a private message on the official Leedon Facebook page. This has to be done by 6pm at the latest to be considered.

Good Luck!
