## Question time!

---

Have you ever been caught in a storm? What was it like?

Are storms the same all over the world, or are they different?

What causes a storm?

What do you think are the most dangerous aspects of a storm?

How can people avoid these dangers?

Do mountains play a part when storms build?

Can you think of other occasions when weather can be dangerous?

What is your favourite type of weather?

If you could live anywhere in the world where would it be?
