## Weather Forecast

Follow these links to watch some examples of weather forecasts.

[BBC Weather](#)

[ITV Weather](#)

Whilst you are watching them, we would like to write down any technical vocabulary you hear or any new vocabulary you have not heard before.

We would then like you to create a glossary of weather vocabulary. You could use a dictionary or the internet to help you find out what the words mean. This is a link to an [online dictionary](#) in case you don't have one at home.
