

Shoe-box and flower-pot worlds

Let's get creative! Find a box (a shoe box is an ideal size) or a flower pot and make your own goblin world. You can base it on the Tree Goblin setting if you like or you can create your own world for a different goblin like a Sky Goblin, Sea Goblin or those pesky Puddle Goblins (use any idea you like). Below are some ideas to inspire you. Can you guess the story they are from?

Thank you St Andrew's CEVA Primary School in Northampton, Kerry Fulford and @clairewiththeredhair for kindly sharing these photos.
