

This week at Little Learners:

Our theme has been 'Superheroes and Princesses'.

We came to school dressed up in our favourite outfits.

We took part in superhero and princess phonics. We had to look at pictures of Hulk, Spiderman, Elsa etc. and guess what the initial letter of each word was. Then we had to sound out the letter.

We took part in superhero and princess maths. We ordered numbers 1-10 and matched numeral to quantity. We also cut out shapes and created our own superheroes.

We created masks and cloaks and ran around the garden to use our superhero powers!

At end circle, we talked about what powers we would have if we were a superhero and what our superhero name would be!

For school readiness we practised our fine motor skills with scissors, threading, pencil hold and jigsaws.

In the garden we played lots of imaginative games such as cooking dinner and digging for treasure in the sandpit. We also pretended the playhouse was MacDonald's Drive through and the ice cream van!

When it was a rainy day, we tried to catch the raindrops. We learnt a new word 'hail stones', we thought it was snow!

We dug in the mud, looking for worms, after the rain.

Next week our theme is 'Emotions'
