

This week at Little Learners:

We have been talking (a lot) about the football! Some of us were allowed to stay up late to watch England play.

We have been playing football in the garden and pretending we are England players. We practised our skills, dribbling a football around tyres and then trying to score!

We created football flags and bunting and decorated the pre-school.

We created football kites to fly outside in the garden. We had to run very fast to get them to fly.

We listened to some football songs and shook bells and danced in time to the music.

We did size ordering with football items such as boots, footballs and goals.

We made winners medals and chose our favourite number to write on them.

We lined up chairs and pretended we were on the 'Football Bus'. We made tickets for the bus and invited all our friends to join us.

We continued with our daily phonics, learning to link letters and phonemes. This also helps with our attention and listening skills too.

We practised our listening and understanding skills playing a game of twister and also had fun with Hungry Hippos and magnetic fishing. These games help us to learn sharing and taking turns.

We did lots of construction with the Lego and tried to build towers as tall as us!

In outside play we washed the cars and mixed cement to build houses.

We put on our wellies to puddle jump and used brushes with water to 'paint' the play house.

We found a snail and spent a long time watching him and talking about other creatures we had seen. We fed the snail with some grass.
