What a Waste!

Reading Skills

Jess French

Year 4
Autumn 2

Questions

- What impact are we having on the world?
- What does recycling mean?
- What are the problems in the world?
- What difference can we make?

Blurb and Main Themes

In this informative book on recycling for children, you will find everything you need to know about our environment. The good, the bad, and the incredibly innovative. From pollution and litter to renewable energy and plastic recycling.

This educational book will teach young budding ecologists about how our actions affect planet Earth and the big impact we can make by the little things we do.
