**LO – To identify and explore key
objects used in Christian worship
and their uses**

Last time, we looked at Churches

This time, we're going to look inside
the Church

Look at these objects. Can you identify what
they are and what they're used for?

The pulpit

The priest or minister uses the pulpit to *preach* a *sermon*: a lesson based on the Bible.

The pews

These are the seats that the *congregation* sit on in church.

The Font

The font is where *christenings* will take place in the church. It often has a lid. Why do you think that is?

The Altar

This is the most holy part of the church. The *congregation* will take *communion* here.

The objects on the next page can be found in many churches.

Many of them can be found at All Saints Church, in Leighton Buzzard.

What do you think they are?

What do you think they might be used for?
