

# Leedon Lower School Home Learning

Try as many activities as you like!

<p>Design a times tables game to help you or others learn a times table.</p> <p>Yr 2 – 2, 5, 10 Yr 3 – 3, 4, 8 Yr 4 – 6, 7, 9, 11, 12</p>	<p>Can you help an adult to design a menu for lunch and help them to make it.</p>	<p>Can you create a new animal or creature? What features would it have? What would it's habitat be like? What would it eat?</p>	<p>Listen to your sound scape. Find a comfortable place to sit. Sit in silence and listen very carefully to all the sounds around you. Can you draw or write about the sounds you hear?</p>
<p>Write a story that you would like to read to your class.</p>	<p>Find out five facts about somewhere in the world you would like to visit?</p>	<p>Can you design a new home/habitat for an animal in your garden or the local part?</p>	<p>Can you find and learn a new poem off by heart? Can you recite it to someone at home?</p>
<p>Choose a character from a book, draw a picture of them and write why you like them.</p>	<p>Create and have a go at your own PE workout. How can you make your heart beat faster?</p>	<p>Can you write your own poem?</p>	<p>Practise your rolling numbers "Let me see your fingers roll...!"</p>
<p>Build a den, take a cuddly toy in with you and read it a book.</p>	<p>Write a set of instructions to direct your robot family around the room? Can you make a maze out of objects around the room?</p>	<p>Can you learn and practise a new song?</p>	<p>Can you create a piece of artwork that represents the signs of spring?</p>
