

# Leedon Lower School Home Learning

Try as many activities as you like!

<p>Choose a times table you do not know very well. Learn it and answer quick-fire questions about it.</p> <p>Year 1 – Try counting in groups of 2, 5 and 10 Year 2 – 2, 5, 10 Year 3 – 3, 4, 8 Year 4 – 6, 7, 9, 11, 12</p>	<p>Create a poster or leaflet to advertise Leighton Buzzard. What exciting things to do would you recommend? What natural features do we have?</p>	<p>Create a sketch, painting or collage of something you have learned this year.</p>	<p>Create your own story!</p> <p>You could write the story, or just create a Text Map if you wish.</p>
<p>Create a fact file about something that interests you. This could be an animal, a game, a person or anything else you like!</p>	<p>Speak to a family member who is older than you. Can you ask them about what life was like when they were little? How can you present this in an interesting way?</p>	<p>Choose a favourite non-fiction book. List 5 facts from the book and add a picture!</p>	<p>Do some exercise! Try a Joe Wicks workout, or some Cosmic Yoga (both free on YouTube), or just get outside for a walk or a bike ride!</p>
<p>Find a snuggly nook to curl up in with a book! Maybe build a den to read in.</p>	<p>Visit a library and take out some books to share at home.</p>	<p>Collect some items from the outside environment and tell a story including those items.</p>	<p>Can you create a piece of artwork that displays one of the Leedon Values?</p>
<p>Read to someone at home, and ask them to read to you.</p>	<p>Create a character who you could use in a story. How do they look? What is their personality? What's interesting about them? Can you draw them?</p>	<p>Practise your Rolling Numbers "Let me see your fingers roll!"</p>	<p>Go outside or look out of a window for 15 mins. Count the number of birds you see. Do you know what types of birds you have spotted?</p>
