

# Our Learning Keys

## Money

Maths

Year 3

Summer

Weeks 3-4

### Questions

What is the value of this coin/note?

How many pence are there in £1?

How many whole pounds are there in 235p?

Why is adding 99p the same as adding £1 and subtracting 1p?

Are you going to count on or backwards on the number line? Why?

When talking about money what does 'change' mean?

How does the part whole model help to solve the problem?
