Today's Literacy Activity

The Lighthouses

Follow this link to watch a short animated film about a lighthouse.

The sheet attached has a number of questions for you to consider and discuss with someone whilst you are watching the film.

Pause the video at the times on the sheet and discuss the questions for each section of the video. You don't need to write down the answers, just discuss them, but of course, you can if you wish.

If you haven't got anyone to discuss them with, you can still have a think about what your answers would be.
