Introduction

Zog is a story about a friendly dragon. We'd like you to be creative today and to create your own story about a friendly dragon. Remember the five stages of a story and use this planning sheet to help you plan your story.

Then, you can either draw a story map for your story or write it in words (or both!)

Introduction	What is your dragon called? What do they look like? Where do they live? Where is your story set?	(draw or write)
Build-up	What is your dragon doing at the start of the story? Where are they going? Who are they with?	(draw or write)
Problem	What happens to your dragon (or to another character)?	(draw or write)
Resolution	How do your characters solve the problem?	(draw or write)
Ending	What happens at the end? Is it a happy ending? What's changed?	(draw or write)

Optional Extension

Can you write your story (in words) and upload a copy of it to Seesaw?
If you're feeling brave, you could record yourself reading it as well.
