

## *The Blacksmith's Challenge -*

*Week beginning 11<sup>th</sup> of May 2020*

The Blacksmith is very important to the castle because he or she has to make all the metal tools, weapons and utensils that are used every day. These include armour and weapons for the knights and soldiers, pots and cutlery for the kitchen, horseshoes, and bridles for horses and even crowns and jewellery for royalty. So, here are some tasks for this week:

	Why are we doing this?	Activity
<u><i>Monday</i></u>	To be able to use question marks when asking questions.	Write questions for Mr Blacksmith and send to him or your teachers. He will answer them on Wednesday. You can also watch this video to learn more about Blacksmiths. <a href="https://www.youtube.com/watch?v=EVAJdhzN-Ak">https://www.youtube.com/watch?v=EVAJdhzN-Ak</a>
<u><i>Tuesday</i></u>	To be able use descriptive words.	Make a job advertisement looking for Blacksmith's apprentices. Use pictures and describe what kind of person can do the job.
<u><i>Wednesday</i></u>	Be able to list the steps in a process. Use pictures to describe the process.	First watch the Blacksmith answer questions, then watch the below video to see how a medieval nail was made. <a href="https://www.youtube.com/watch?v=n8coEuf-tCNE">https://www.youtube.com/watch?v=n8coEuf-tCNE</a> Can you use Text for Words to describe the process of making a nail?
<u><i>Thursday</i></u>	Be able to plan a strength program	Blacksmiths have to be very strong so can you make an exercise program to get strong like a Blacksmith? Can you make a program for the whole week?
<u><i>Friday</i></u>	Write a description of a parent's daily routine.	Can you describe a day in the life of one of your parents (a working day)?
