

This term we are going to enrich our learning by...

- * Visiting Leighton Buzzard Railway.
- * Exploring the history of different types of transport.
- * Building and racing our own vehicles.
- * Learning about different explorers and how they travelled.
- * Hosting our own 'Bike and Scooter Day'

Take Home Task

Create a poster about your favourite type of transport. What facts can you find?

Help?

Do you have any tickets, photographs or information about transport that could add to this work? If you feel you can offer any help please let us know.

On The Move

Year 1
Spring Term
2020

Some of the questions we hope to answer this term...

- * How does a steam train work?
 - * How did people travel in the past?
 - * How are materials used in vehicles and why?
 - * Why is it important for humans to keep moving?
 - * How many different types of vehicles are there?
 - * Who were the famous explorers?
 - * Can you explain how vehicles move?
- and any other questions that the children ask.

You might like to join in with our learning at home by ...

- * Non-Fiction texts about transport
- * Stories about journeys
- * Mr Gumpy's books

- * Take a ride on a bus.
- * Where did you go?
- * What did you see?
- * Learn traditional rhymes e.g. The runaway train
- * Practise riding your bike or scooter

- * History of transport
- * How things move
- * How vehicles are made.

- * London Transport Museum
- * Duxford Museum
- * Stockwood Park
- * Quainton Railway Centre
- * Shuttleworth Collection
