*Castle Hill*

*Castleton*

*Dear Children of Leedon School*

*Your teachers have sent me your reports of the jousting tournament and your character descriptions for the knights. They were very good, thank you.*

*After all their jousting, the knights are all very tired and have asked for a bedtime story, but I don't know any bedtime stories.*

*Could you help me, please?*

*Can you make up and write a story about a knight that I can read to the knights to help them get to sleep?*

*If you send the story to your teachers on Seesaw, they have said that they will pass them on to me.*

*Thank you*

*Yours faithfully*

*The Serjeant-at-Arms*
