

Our Learning Keys

Relationships; Safe Relationships

PSHE

Year 3

Autumn 2 of 3

Questions

- What is appropriate to share with friends, classmates, family and wider social groups including online.
- What are personal boundaries and what is privacy? What does this mean when online?
- What basic strategies are there to help ourselves keep safe online e.g. using passwords, using trusted sites and having adult supervision?
- What are the effects and consequences of bullying for the people involved?
- Is online bullying similar to face-to-face bullying or how is it different?
- What can you do and who do you tell if you see or experience bullying or hurtful behaviour?

- Computing online safety

Unacceptable

Vocabulary	Privacy
Appropriate	Personal boundaries
Social groups	Hurtful
Online	Consequences
Supervision	Effects
Bullying	Strategies

Facts

- We need to make sure that we are safe online just as we do in day-to-day life.
- We must set up and use passwords, use trusted websites and age-appropriate social media to keep ourselves safe and make sure that we are supervised by adults.
- Bullying can have long-lasting and wide-ranging negative effects.
- Bullying can include cyber bullying, verbal bullying, physical bullying or social bullying e.g. turning someone's friends against them.
