Questions

- What is a timeslip?
- How do the main characters know they have gone back in time?
- How would you react if you were in their position?
- What can we learn from this narrative?

Blurb and Main Themes

Emmie let out a huge sob - "It's not a film set", she cried. She held onto Jack for a moment, then took a step back, closed her eyes and shouted - "WHERE AM I?"

When Jack and Emmie suddenly find themselves transported back to London in 1940, they find a world both familiar, yet very different. As they dodge falling bombs and over-zealous policemen, they befriend Jan - a lonely Polish refugee. Together, they must work out if the shadowy figure they keep seeing is a spy and unlock the secret of getting home again...

This educational story helps to weave current views and historical events together in an exciting adventure.
