

# MEET THE TEACHER

## MRS WILK

### ABOUT ME:

My name is Mrs. Wilk and I have worked in lots of different year groups during my time at Leedon. I have three children so I spend a lot of my spare time creating Lego structures and playing at the park.

### WHY I LIKE BEING AN LSA

I enjoy working as an LSA. My mission is to help all children feel safe and comfortable. I love seeing all the children happy and talking about their dreams. I believe all children can achieve their goals by believing in themselves and never giving up.

### MY FAVOURITE THINGS

I love playing the cello, and in my spare time, I like to read books, listen to music, and sing.
