This is my classroom

Everyone feels nervous and maybe excited when they are starting something new.

It is ok to ask questions.

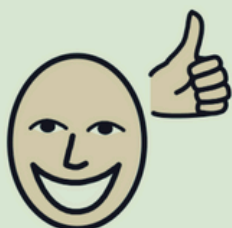

It is ok to not know what to do all the time.

Adults and friends will help you. You can ask them for help or ask them a question if you are unsure about something.

You will soon settle in and enjoy the new things that you do.

Soon it will seem like an 'old'  
classroom not a new one!!

Well done!

You are on the way to being ready  
for the next school year.
